PERSONAL EXPLANATION

HON. ROBERT T. SCHILLING

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, December 2, 2011

Mr. SCHILLING. Mr. Speaker, on Friday, December 2, 2011, I attended the funeral of Pfc Adam E. Dobereiner in Rock Island, Illinois. Pfc Dobereiner died on November 18, 2011 in the Kandahar Province of Afghanistan while serving his country. Our nation owes Pfc Dobereiner and his family a debt of gratitude for their sacrifice. We must always remember the service of heroes both past and present.

Had I been present in Washington DC on December 2, 2011, my votes would have been as follows:

For Roll No. 882, which would clarify that an agency shall take into account whether a problem disproportionately impacts certain vulnerable subpopulations, and whether such an impact would be mitigated by new agency action—H.R. 3010 stresses smart, efficient and economical rule making. We should always be looking to maintain levels of service at the lowest cost possible. Under this bill, federal agencies already take public health or general welfare considerations into account. Therefore, I would have voted "no".

For Roll No. 883, which would clarify that the agency would retain the discretion to determine whether to provide advanced notice, not later than 90 days, of a proposed rule prior to being published in the Federal Register. For the sake of transparency, the underlying bill makes advance notice of these rules mandatory; therefore, I would have voted "No".

For Roll No. 884, which would clarify that regulations to protect public health and safety would not be blocked or repealed by H.R. 3010—Again; the underlying bill provides for the consideration of public health and general welfare. Therefore, I would have voted "No".

For Roll No. 885, which would exempt from the Act actions by the Nuclear Regulatory
